

Facilities

Andi Pandi's Nursery is registered for 15 babies under eighteen months and 21 children over eighteen months at any one time.

We have various rooms for babies under eighteen months with a variety of equipment to suite their abilities, the upper floor is for the younger babies they have their own kitchen- to prepare bottles and feeds, a sleep room, playroom and bathroom. The tweenies rooms are for the older babies with a separate sleep/rest room, nappy changing area and a toilet for the new learners to use. The Pre-school unit is for the children over eighteen months and up to eleven years separated by their age range and abilities and being fully resourced for with toilets and a nappy changing area. There is an equipped kitchen with our own cook preparing fresh nutritious meals and snacks each day. We also have an undercover play area for outdoors activities so in rain or shine they have a large area to move around and enjoy, this area is secure and supervised whenever in use. You should be able to pull in at the front entrance with ease, but there is also a car park and entrance at the rear. Please be cautious when arriving or leaving and please note that we cannot accept responsibility for any damage or theft to vehicles or their contents.
